The window below will open

Type in your first name, last name, and email address.

Type in the User Name of your choice, as well as a password of your choice. Once your account is set up, these will be the items you will type in at the login screen.

Next type in Student's name and the Access ID and Access Password for that student. This is **not** the Student Username and Student Password.

Repeat for each student for whom you are a parent/guardian.

When you are done, click the enter button at the bottom of the screen.

Next, this screen will appear. To access your account, type in the User Name and Password that you chose in the setup process.

Click on Submit.

PowerSchool will present you with something like the screen below.

In this example Samuel Mazzuchelli , the father, set up to view two students, Eddie and Edina Crusader. The current view is showing Eddie's info.

In order to switch to see Edina, simply click on her name.

The screenshot shows the PowerSchool Guardian interface. At the top, there is a navigation menu with icons for Grades and Attendance, Grade History, Attendance History, Teacher Comments, School Bulletin, Next Years Schedule, My Calendars, Demographic Change, and Account Preferences. Below the menu, the user's name 'Mazzuchelli, Samuel' and last login time are displayed. A student selector shows 'Eddie' and 'Edina', with an arrow pointing to 'Edina'. The main content area is titled 'Grades and Attendance' and includes a table for 'Attendance By Class' with columns for 'Exp', 'Course', 'Q1', 'Q2', 'E1', and 'S1'. A legend for attendance codes is provided at the bottom of the page.
